

Happy New Year, friends of WAC! Now that we are in 2014, please do not forget to renew your WAC membership by visiting <http://www.worldarchaeologicalcongress.org/join-wac>

Not a member? Then please consider joining the only representative world-wide body of practicing archaeologists, and help WAC to meet its missions of promoting interest in the past in all countries, encouraging the development of regionally-based histories, and fostering international academic interaction.

WAC membership is open to anyone concerned with the study of the past – so pass the word! Membership contributions go towards promoting WAC programs such as the Global Libraries Project, which sends free books to over 30 libraries in economically-disadvantaged institutions on 5 continents. WAC membership also has many benefits including a subscription to the journal *Archaeologies*, eligibility to apply for WAC funding (via programs like *Archaeologists without Borders*), and discounts on WAC publications.

Thank you all for your support!

-WAC Executive Officers

Happy 2014! Time to renew your membership
