

UNIVERSITY OF IBADAN - NIGERIA: 18 - 22 FEBRUARY 2009

The Archaeologists without Borders Program was run at the University of Ibadan, Nigeria 18-22 February. Professor Peter Schmidt (University of Florida, U.S.A.) presented the 9th Bassey Andah Memorial Lecture on the topic of African Archaeology and the Ancestors', and participated in a workshop organised by WAC Vice-President, Professor C.A. Folorunso (University of Ibadan). Feedback on the program has been very positive and a report will go on the WAC web site.
